| Acrylic scoring |             | 30          |

## ARTEMIS - Safety straight Edges

This top quality straight edge has been engineered in extruded aluminium and anodised for lasting protection. The Artemis has been shaped to help focus downward pressure on clamping the workpiece and to protect fingers against any tool slippages. The underside features two full length silicon inserts to assist gripping and to provide essential protection for sensitive surfaces. A full length dual metric/imperial scale is fitted along the front edge and a press-fit stainless steel bead helps to protect the aluminium edge from blade damage.

| Product Code | Description | Price (eur) |
|--------------|-------------|-------------|
| Artemis 60   | 60 cm       | 35          |
| Artemis 60   | 100 cm      | 55          |
| Artemis 60   | 150 cm      | 80          |
| Artemis 60   | 200 cm      | 105         |
| Artemis 60   | 300 cm      | 155         |
